

ENTRY INSTRUCTIONS FOR AKA SANCTIONED SHOW THROUGH THE SAN DIEGO TROPICAL FISH SOCIETY NOVEMBER 5th - NOVEMBER 6th, 2016

Our goal is to have complete track of your fish from the time they leave your home through the time they are in transit and through all the time they are at the show. We will notify you when they arrive, promptly notify you of any DOA fish, and promptly notify you of judging results. You will also receive the proceeds from the sale of your fish in the auction promptly. If you wish your box to be returned, please include a return label with postage.

In order to be able to accomplish these goals we need the following from you:

- 1) Name _____
Street Address _____
City _____ State _____ Zip _____

- 2) Email address for notifications: _____
Your phone number for problems: _____
PPM* (hardness) of the water your fish will arrive in _____
pH* of the water your fish will arrive in _____

* AN APPROXIMATION OF THESE IS ALL WE NEED IF YOU DON'T HAVE NUMBERS

- 3) Please Email Ron Harlan at: ronkharlan@att.net before sending fish. THIS DOESN'T LIMIT YOU IF YOU SEND MORE OR FEWER PAIRS. IT IS JUST TO GIVE US AN ESTIMATE. Indicate how many pairs you will be entering in each of the following classes. This will help us to have plenty of tank space ready with the correct water conditions to handle your fish (San Diego tap water is about 650-800 ppm and we will need to mix with RO in some cases) as well as the correct tanks for your fish.
